

Benjamin Franklin said, "The only things certain in life are death and taxes." Agree or not, taxes remain one of the greatest threats to your retirement plan.

In his television program, *Stay Rich for Life*, Ed Slott, one of the country's leading IRA experts, wants to share strategies with you designed to help protect your retirement funds and your legacy from unnecessary taxation.

Dates to Remember:

Sunday, March 7, 11:00 a.m. - *Stay Rich for Life*
Iowa Public Television

Tuesday, March 9, 10:30 a.m. - Ed Slott interview on The Jan Mickelson Show
WHO Radio - 1040 am

Sunday, March 14, 11:00 p.m. - *Stay Rich for Life*

The Masters Group is partnering with Iowa Public Television to provide valuable information to the public to help individuals safeguard their retirement savings. Tim Hawkins has worked with Ed Slott for the last six years and is a member of his advisory group. Slott has been called the Best Source of IRA information by The Wall Street Journal.

If you know of someone that is retiring soon, changing jobs, or currently in retirement, be sure to let them know about this program.
